

Curley STONE

Product Line

Whether you are a professional contractor or a homeowner planning a backyard project, Curley Stone has the finest masonry and hardscape products for you to get the job done right. Currently our employees have a combined experience of 170 years in the construction industry. That knowledge along with a large selection of quality products make completing your project easier than you could imagine. Most of the products in our catalog are stock items. If you don't see what you are looking for in our catalog please call our office and our sales staff will be glad to assist you.

So get started today by viewing our catalog and visit our stone yard with over 3,500 square feet of product displays. We have our own fleet of trucks that can provide delivery service anywhere in the state of New Jersey.

* Photo images used in our catalog are for informational purposes only and should not be used to make any product purchase. We request that final selection be made in person at our office and only after viewing the current product in stock. As with all natural products, harmless imperfections including but not limited to variations in color, texture and thickness are normal, therefore all products are sold "as is."
